(copies of excerpts will be scanned and made available to participants)

### MONDAY

.....

#### “The Importance of a Warm-Up Routine”

#7, page 2, “Bowing Variations in Simple Meter”  
Demonstrate exercise  
Allow students to play along with instructor  
Describe procedure of adding vibrato to exercise

#11, page, 2, “Bowing Variations in Compound Meter”  
Demonstrate exercise  
Allow students to play along with instructor  
Describe procedure of adding vibrato to exercise

If time allows, repeat procedure with #14, page 3

### TUESDAY

.....

#### “The Importance of Scales”

Warm up by performing #7 and #11, page 2

Explain the meaning and purpose of scales and why they are crucial to the development of musical skills

Begin demonstrating and teaching from scales packet. Scale packet is pages 16 through 33 in textbook. Cover as many pages as time allows.

## WEDNESDAY

.....

### **“An Introduction to Learning Bach’s Cello Suites”**

Begin demonstrating and teaching Minuet 1 from Suite 1 (sheet music of specific edition will be provided)  
If time allows, cover entire Minuet 1 and check for understanding

## THURSDAY

.....

### **“An Introduction to Learning Bach’s Cello Suites, cont.”**

## FRIDAY

.....

### **“Digital Bach Recital”**

If students have grasped material from previous two days well, all students (if they wish) shall perform Minuets 1 and 2 for the class.

If students have not grasped material from previous two days well, continue to instruct.
